Why Donate

Variety is only able to support thousands of children with disabilities every year because of the generosity of individuals and corporations. Every contribution will make a difference in a child’s life, whether it’s $50,000 that funds a new program or an in-kind donation that provides a new basketball. We greatly appreciate any help we receive; without it we would not be able to provide our kids the resources, services, and programs they need. Please consider giving to Variety and becoming part of our growing family.

Planned Giving

Variety’s planned giving program is available for individuals who wish to make a charitable contribution to benefit children with disabilities. This may be done through a charitable “bequest” from your will, or through a life insurance policy naming Variety – the Children’s Charity as a beneficiary. Together we can provide help for generations to come.

Will Power

A bequest is a gift or donation made through your will. There are several types of bequests listed on our website.

Tax Considerations

A charitable gift tax receipt can be issued for these donations at the time of their receipt, and may represent sizeable tax benefits to you and your estate. Before you decide on your planned giving donation, we recommend that you consult with a professional financial planner or tax advisor for the best options to suit your personal circumstances.

A New Policy

You can take out a new “whole life” insurance policy making Variety – the Children’s Charity the owner and beneficiary, thereby receiving a tax deductible receipt for the entire annual premium.

Monthly Giving

We are always looking to provide help to the children with disabilities we serve. This means we are always looking for the generosity of others to assist us in providing for our kids. Using our website, you can now pledge any amount to be offered to Variety on a monthly basis. After entering a donation amount, select “reoccuring gift” to give consistent support to our Variety kids who need it. Our summer camp programs benefit campers for three months, but your reoccurring gift may be the thing that gives them the care they need for the other 9 months of the year.
